

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

The claims have been amended in the manner to use language directly from the application text and avoid the new-matter problems. It was agreed that, unless better art was turned up in the catch-up search, the claims amended in this manner were allowable.

If only minor problems that could be corrected by means of a telephone conference stand in the way of allowance of this case, the examiner is invited to call the undersigned to make the necessary corrections.
